At Angelus Court #17
2nd Friday of Each Month

Honored Ladies and Sir Knights.

Do you love Amaranth, but find that a meeting night during the week is now difficult to fit into your work schedule? Or have you moved and find that attendance at your home Court is difficult or impossible?

Well, we love Amaranth too, but many of our members have found that our second Friday, 8:00PM meeting night is difficult to fit into their hectic schedule, or that our location at Lents Lodge on SE 92nd Ave., just off Foster is no longer convenient for them to reach.

So if our place and meeting day would work for you, please join us. Beginning in June we will be having a pot luck dinner at 6:30 pm before every meeting. We would love to see you there. And we hope that you might find the "fit" just right and consider taking a dual member with our Court.

The officers and members of Angelus Court #17 If you have any questions or might need a ride please call HL Maryann at 503-357-0790
